Introducing the: **MHM2200SPC** **Static Waste Compactor w/ Pre crush**

General Description

The MHM2200SPC static compactor with pre crush is our medium to large range of compactors. Ideally suited for heavy industrial usage. This unit is ideal for general and factory use, bulky wastes and cardboard.

The MHM2000SPC is either filled by hand or by hydraulic bin lift (wheelie bin) or fork lift truck.

An extremely reliable and well built machine with a powerful compaction force.

All static compactor machines sold are installed by our service department and full operator training is given on installation.

Our recycling machinery is compliant and CE marked and carries a 12 months parts and labour warranty.
